M. POLI'S ANNOUNCEMENT.

Telephone 854-2 and 3

Iwelve Weeks of Successive and Continu ous Novelty at the Wonderland, Manager Poll of the Wonderland the ater is able to make to-day an extraor dinary announcement for which he has been preparing several weeks. It is no less than the appearance at his theater for twelve successive weeks of as many different leading novelties in the vaude ville world. These novelties will date from next week, when Press Eldridge who is well known here from his former residence, will make his appearance, In regular succession will follow each week the leading novelties in the vaudeville market, including many of the Euro pean attractions that are to be imported for the leading metropolitan houses. Mr.Poli is able to make this announce

recently completed with the manage nent of the Keith and Proctor circuits and of Koster & Blal's, All of these various European novelties with the understanding that Mr. Poll would bear a proportionate part of the expense by playing them in his Wonderland theater at the same salaries paid in the New York houses. These salaries are extra ordinarily large to be paid in a theater where the most popular of popular prices prevail, as they do at the Wonderland, yet Mr. Poli feels confident that his enterprise will be sustained by the theater-going public of New Haven. Sandwiched in between these European novelties will be from time to time art lets that have come to the very front rank in the American theaters, such as Press Eldridge, J. W. Kelley, Maggle Cline, Al Wilson and others. What is assured is that Mr. Poli's bookings for the next twelve weeks include the greatest lights of the European and

American novelty stage. \* Mr. Poli, in this connection, desires o impress upon the ladies the advisability of going to the Wonderland in the afternoons. By his arrangements the idles are always admitted afternoon all parts of the house for 10 cents, he performance being given twice exactly as at night. They can always thus avoid the great crowds that are present at night and see the show with nuch more comfort as well as for a smaller price of admission.

SANFORD'S GINGER, tried and true, is so rich in health preserving properties in the midst of summer dangers that it is almost criminal to be without it. No other ginger is so pure, so speedy, and safe. For the stomach, bowels, and nerves, for colds, chills, and touches of rheumatism, it is a panacea without an equal.

Containing among its ingredients the purest of medicinal French brandy and the best of imported gluger, it is existly superior to the cheap, worthless, and often dangerous gingers urged as substitutes. Ask for SANFORD'S GINGER and look for owl trade mark on the wrapper, Sold everywhere. Potter Daug and Chem. Corp., Sole Proprietors, Boston.

CORRETT IN THE RING.

Announces That ite itas Fulfilled His Share of the Articles—He Claims the Forfeit— Fitzslumons Remained at Little Rock After His Arrival.

Hot Springs, Ark., Oct. 21.-The day hat for months has been awaited by admirers of the pugilistic sport through out the world is here, and only the presence of Bob Fitzalmmons is necessary to enable the original contract, subject to some modifications and un der new auspices, to be carried out.

Corbett is here, free and unrestrain ed, with not even the shadow of a deputy sheriff in his wake. The ring can be completed in an hour, and there are a sufficient number of visiting and resident sports in town or within a few miles of it to enable a \$10,000 purse to be hung up and leave a balance large enough to recoup the Hot Springs club for its advances to the men and other

But it takes two to make a bargain, and Robert Fitzsimmons, who has been proclaiming for weeks, "I will be in Hot Springs on October 31," is not here

Just what will happen to him in court n Little Rock to-day is problematical. Just what happened here was that at 11:30 Champion James J. Corbett entered a closed carriage in front of a private residence where he had passed the night, drove to Whittington park, stepped for a moment upon the temporary stage, announced to the birds in the trees that he had fulfilled his share of the articles of agreement to the letter and claimed the forfelt from the Flor da Athletic club; re-entered the carriage and went back to town, still the heavyweight champion of the world. Little Rock, Oct. 31.—Bob · Fitzsim

It is rumored here in sporting circles that the fight is to take place at Clinton park, this city, either to-day or toorrow.

Governor Clarke may have to suppress it, but it is thought the police orce can handle the crowd. A large number of special deputies

are ready to be sworn in and the force can be increased to any size on shor The big Australian reached the Cap-

in town. El Paso, Tex., Oct. 31.-The Mexican oundary commission is here to hear south part of El Paso and to settle the claim to the island in the Rlo Grande river, twenty-five miles east of El Paso, where It has recently been proposed to have the Corbett-Fitzsimmons fight.
